Federica Iglesias

FULL-STACK DEVELOPER | REACT – NEXT.JS – SUPABASE – GENERATIVE AI

Contact & About me

federicaiglesias1@gmail.com   🔗 Portfolio   🔗 LinkedIn profile   🔗 Github profile

Full-stack web developer with a strong focus on front-end technologies. I have experience delivering real-world projects independently, using modern stacks like Next.js 14, Supabase, and TailwindCSS. I thrive on creating user-friendly, multilingual, and SEO-optimized web applications, and I am passionate about integrating automation and generative AI into my workflows. Recognized for adaptability, problem-solving, and curiosity, I am seeking a remote position in a collaborative and innovative team.

Skills

Frontend: HTML, CSS, JavaScript, React, Next.js, TailwindCSS, Redux, Vite, Bootstrap, TypeScript

Backend & databases: Node.js, Express, MongoDB, Supabase, MySQL, PostgreSQL, Sequelize

AI & Automation: OpenAI (GPT, DALL·E), n8n, Cursor

Tools & Deployment: Git, GitHub, Vercel, Railway, Figma, CMS Directus

Languages: Spanish (native), English (advanced), French (advanced)

Work experience

Full Stack Developer Intern

Remote - Uclic
June 2025 - July 2025

- Developed a complete multilingual event website ("Courses à Pied") using Next.js 14 and Supabase.
- Implemented responsive design, SEO optimization, event pagination, and a CMS-driven content structure.
- Conducted testing (Lighthouse scores all above 90), ensuring performance, accessibility, and crawlability.
- Explored automation workflows with n8n and OpenAI for content translation.
- Feedback from supervisor: Recognized for rapid adaptability, curiosity, and strong understanding of modern tools like Cursor, Next.js, and Supabase.

References and detailed internship feedback available upon request.

Kindergarden Teacher

Céléste Klein - Bayonne, France
Organized educational activities and supported children's development while fostering teamwork and empathy.

Freelance Spanish Teacher

Remote

Planned and delivered personalized Spanish lessons for students of various ages and levels, enhancing adaptability and communication skills.
